# The Ultimate Anti-Theft Protection

**THEFT AVERT**

# Layered Protection Against Theft

In the United States, two vehicles are stolen every minute. This innovative system protects your vehicle against theft and provides you benefits in the unlikely event it is stolen.

The Theft Avert® vehicle marking system is a unique window etching product. This is an effective anti-theft program that gives customers a preferred security system that helps identify vehicles if they have been stolen.

Protecting your investment with this anti-theft program will give you peace of mind as well as increase the likelihood of your vehicle being recovered should it fall into the wrong hands. As an added benefit, if your vehicle is stolen, this protection may provide you with cash benefits. This coverage may also qualify you for an insurance discount. Ask your dealer for details.

## Ultimate Anti-Theft Protection

Theft Avert etches an original number on all glass surfaces making it worthless to thieves.
